

CENTRAL BOARD

MARCH 30, 1966

The meeting was called to order at 7:10 p.m. in the Ravalli Room of the Lodge by President John Ross. The minutes of March 2 and March 9 were approved as written.

#### PRESIDENT'S REPORT

Ross introduced Rod Ottenbreit who is the Kaimin reporter for spring quarter. There will be reports on the MSPA Convention and on the elections next week.

#### ELECTIONS COMMITTEE

Lanman said that it would cost approximately \$500 for voting machines. She is checking into the possibility of getting votomatic machines at a cost of \$185 each. If ASUM bought two of these machines, they could be rented out during the year. The machines would speed up the voting. She wanted to know what the Board thought of this. Wendte pointed out that it costs us almost nothing to put on an election now. He did not think it was necessary to speed up the voting. Lanman said that it would help with the tabulation. Davis said that as the student body increased two machines would be inadequate. Ross suggested that Lanman check into this further for next week.

WENDTE MOVED TO TAKE THE MOTION CONCERNING THE COMMISSIONERS OFF THE TABLE. SECONDED BY COSMAN. MOTION PASSED WITH STOCKAMP OPPOSED. Davis said that in approving this motion, we would just be adding 10 commissioners to Central Board. The plan would be used for publicity. He pointed out that it was important to pass it tonight because time was short. Davis said he would like to get an educational program started. Maxson felt that in order to start an educational program, we would have to support the entire program. Kitzenberg said on the whole he was in favor of putting this on the ballot, but he had some amendments to the plan itself. Ross said to keep the discussion pertinent to the motion. Fairley said he also was in favor of the amendment but was opposed to certain parts of the plan. Davis said that if the delegates were not familiar with the plan it was their own fault. Waldron wanted to know if the amendment had to be in same form as it was passed tonight. Davis said that it would have to be passed as it would appear on the ballot. Anderson said that he would not like to see the number left flexible. He wanted to know why 10 was picked. Haarr said that the committee added and subtracted until they arrived at 10 as an adequate number. COSMAN CALLED FOR THE PREVIOUS QUESTION. Waldron wanted to know if next week we decided to change the number would the elections have to be postponed. Ross said they would. ANDERSON SECONDED THE MOTION. MOTION PASSED WITH WALDRON ABSTAINING. THE ORIGINAL MOTION PASSED WITH KITZENBERG OPPOSED AND WALDRON AND MAXSON ABSTAINING.

#### STUDENT LIFE COMMITTEE

Anderson said that the committee has been short three members and that Greg Osborn would like to see Kathleen Caddell, Pat Robinson, and Mike Nile appointed. Ross said he was going to withhold the appointments until next week.

#### AUXILIARY SPORTS BOARD

Stockamp said the committee is going to send out letters shortly. Wendte reminded him that their budget was due next week.

Davis said that the films were shown and approximately 500 students attended.
